Django Documentation

Release 2.2.29.dev20220411083753

Django Software Foundation

April 11, 2022

CONTENTS

1 Django documentation **1**
- 1.1 Getting help . . . 1
- 1.2 How the documentation is organized . . . 1
- 1.3 First steps . . . 2
- 1.4 The model layer . . . 2
- 1.5 The view layer . . . 2
- 1.6 The template layer . . . 3
- 1.7 Forms . . . 3
- 1.8 The development process . . . 3
- 1.9 The admin . . . 3
- 1.10 Security . . . 4
- 1.11 Internationalization and localization . . . 4
- 1.12 Performance and optimization . . . 4
- 1.13 Geographic framework . . . 4
- 1.14 Common Web application tools . . . 4
- 1.15 Other core functionalities . . . 5
- 1.16 The Django open-source project . . . 5

2 Getting started **7**
- 2.1 Django at a glance . . . 7
- 2.2 Quick install guide . . . 13
- 2.3 Writing your first Django app, part 1 . . . 14
- 2.4 Writing your first Django app, part 2 . . . 19
- 2.5 Writing your first Django app, part 3 . . . 32
- 2.6 Writing your first Django app, part 4 . . . 39
- 2.7 Writing your first Django app, part 5 . . . 44
- 2.8 Writing your first Django app, part 6 . . . 55
- 2.9 Writing your first Django app, part 7 . . . 56
- 2.10 Advanced tutorial: How to write reusable apps . . . 66
- 2.11 What to read next . . . 71
- 2.12 Writing your first patch for Django . . . 74

3 Using Django **85**
- 3.1 How to install Django . . . 85
- 3.2 Models and databases . . . 88
- 3.3 Handling HTTP requests . . . 196
- 3.4 Working with forms . . . 240
- 3.5 Templates . . . 290
- 3.6 Class-based views . . . 302
- 3.7 Migrations . . . 329

3.8 Managing files . . . 341
3.9 Testing in Django . . . 344
3.10 User authentication in Django . . . 388
3.11 Django's cache framework . . . 439
3.12 Conditional View Processing . . . 458
3.13 Cryptographic signing . . . 462
3.14 Sending email . . . 464
3.15 Internationalization and localization . . . 474
3.16 Logging . . . 521
3.17 Pagination . . . 532
3.18 Security in Django . . . 537
3.19 Performance and optimization . . . 540
3.20 Serializing Django objects . . . 547
3.21 Django settings . . . 556
3.22 Signals . . . 561
3.23 System check framework . . . 565
3.24 External packages . . . 568

4 "How-to" guides 571
4.1 Authentication using `REMOTE_USER` . . . 571
4.2 Writing custom `django-admin` commands . . . 573
4.3 Writing custom model fields . . . 578
4.4 Custom Lookups . . . 589
4.5 Custom template tags and filters . . . 595
4.6 Writing a custom storage system . . . 612
4.7 Deploying Django . . . 613
4.8 Upgrading Django to a newer version . . . 631
4.9 Providing initial data for models . . . 633
4.10 Django on Jython . . . 635
4.11 Integrating Django with a legacy database . . . 635
4.12 Outputting CSV with Django . . . 636
4.13 Outputting PDFs with Django . . . 639
4.14 Overriding templates . . . 640
4.15 Managing static files (e.g. images, JavaScript, CSS) . . . 642
4.16 How to install Django on Windows . . . 644
4.17 Writing database migrations . . . 646

5 Django FAQ 653
5.1 FAQ: General . . . 653
5.2 FAQ: Installation . . . 656
5.3 FAQ: Using Django . . . 657
5.4 FAQ: Getting Help . . . 658
5.5 FAQ: Databases and models . . . 659
5.6 FAQ: The admin . . . 661
5.7 FAQ: Contributing code . . . 663
5.8 Troubleshooting . . . 664

6 API Reference 667
6.1 Applications . . . 667
6.2 System check framework . . . 673
6.3 Built-in class-based views API . . . 686
6.4 Clickjacking Protection . . . 737
6.5 `contrib` packages . . . 740
6.6 Cross Site Request Forgery protection . . . 1028

6.7 Databases . . . 1036
6.8 `django-admin` and `manage.py` . . . 1050
6.9 Running management commands from your code . . . 1078
6.10 Django Exceptions . . . 1079
6.11 File handling . . . 1083
6.12 Forms . . . 1091
6.13 Middleware . . . 1158
6.14 Migration Operations . . . 1165
6.15 Models . . . 1173
6.16 Request and response objects . . . 1339
6.17 `SchemaEditor` . . . 1355
6.18 Settings . . . 1358
6.19 Signals . . . 1409
6.20 Templates . . . 1417
6.21 `TemplateResponse` and `SimpleTemplateResponse` . . . 1485
6.22 Unicode data . . . 1489
6.23 `django.urls` utility functions . . . 1494
6.24 `django.urls` functions for use in URLconfs . . . 1497
6.25 `django.conf.urls` functions for use in URLconfs . . . 1499
6.26 Django Utils . . . 1500
6.27 Validators . . . 1515
6.28 Built-in Views . . . 1520

7 Meta-documentation and miscellany **1523**
7.1 API stability . . . 1523
7.2 Design philosophies . . . 1524
7.3 Third-party distributions of Django . . . 1529

8 Glossary **1531**

9 Release notes **1533**
9.1 Final releases . . . 1533
9.2 Security releases . . . 1887

10 Django internals **1915**
10.1 Contributing to Django . . . 1915
10.2 Mailing lists . . . 1963
10.3 Organization of the Django Project . . . 1965
10.4 Django's security policies . . . 1969
10.5 Django's release process . . . 1972
10.6 Django Deprecation Timeline . . . 1975
10.7 The Django source code repository . . . 1988
10.8 How is Django Formed? . . . 1991

11 Indices, glossary and tables **1999**

Python Module Index **2001**

Index **2003**
